								June	Dec	May
<b>Health</b> Improve the health of all children and deliver focussed work for those children deemed as over/underweight	JS	Review and purchase more equipment for improving health.	Pupils will develop knowledge and understanding of how to use the outdoor and new gym equipment. Pupils will develop some understanding of how and why we need to stay fit and healthy.  Staff will learn from outside agencies of how and why we need to stay fit and healthy.	£3000	Jenny Burnett	Full Gov				
		Set up a programme which is part of everyday life aimed at improving health of all children								
		To work with other professionals e.g. RIO and boot camps to deliver focussed interventions.								
		To ensure more structured use of outdoor gym.								
<b>PE</b> To increase the amount of PE and therapy sessions pupils receive. Develop teachers and SNA'S knowledge and understanding of how to deliver high quality PE sessions.	JS NS	To increase the number of PE lessons from 1 to 2	Pupil's progress will improve due to the increase in lessons, the high quality teaching the pupils will receive from the coaches, PE specialist and mainstream pupils. Consolidation of pupil's knowledge and understanding of skills, techniques and rules of the game will be embedded in PE lessons due to the extra lesson and support. Decrease in behaviour incidents due to the extra rebound therapy sessions pupils receive.	£6000	Jenny Burnett	T&L				
		Deliver PE CPD across school through PE and Sport Weeks and the use of specialist coaches								
		To increase rebound therapy sessions at the Deaf College.								
		Develop links with Ash Hill Academy to use facilities and team teach PE lessons.								
<b>Playground</b> Develop SNA'S and MD, S knowledge and understanding of how to deliver high quality playground sessions.  Increase pupil's participation in playground activities by ordering new playground equipment.	JS	To improve storage and resources for children to access HQ activities at break-times including trim trails and other permanent fixtures	Pupils will have the opportunity to improve their skills, techniques and game play with other pupils within the school. Pupils will develop leadership skills as able pupils will be able to support younger and less able pupils. Pupils will make increased progress in PSHCE as pupils will be provided with the opportunity to establish new friendships, share equipment and take turns. Reduced Behaviours at break and lunch due to pupils been active and engaged.	£2000	Jenny Burnett	Full Govs				
		To implement playground activity timetable and ensure this is managed by staff								
		Training for staff and MD supervisors								
		To establish playground leaders amongst students in school.								
<b>Swimming</b> Increase access to sensory swimming sessions to all P1-P4 pupils in school. Increase the amount of pupils who access Thorne Leisure Center Introduce and develop a qualification system within school	JS TT NS	To improve the offer our young people receive regarding swimming including P1-P4	Behaviour incidents will be reduced due to pupils accessing sensory swimming sessions. Increased progress in water confidence and swimming due to the extra sessions. Pupils will have a clear understanding of what they need to learn to ensure they achieve each STA Rockhopper level.	£1000	Jenny Burnett	T&L				
		To increase swimming sessions at Thorne Leisure Centre								
		To reintroduce qualifications in swimming using the STA Rockhopper scheme								
		Order new equipment specific to individual pupil needs.								
<b>Extra-curricular</b> Increase and develop the extra-curricular sessions available to all pupils in school.	JS SG	Develop sport clubs as part of the STAR extra-curricular club.	Pupils will have the opportunity to improve their skills, techniques and game play with other pupils within the school and other schools. Pupils will develop leadership skills as able pupils will be able to support younger and less able pupils. Pupils will make increased progress in PSHCE as pupils will be provided with the opportunity to establish new friendships, share equipment and take turns.	£200	Jenny Burnett	Full Govs				
		Develop links with other Special Needs schools and arrange fixtures								
		Develop links with primary mainstream schools and arranged mixed fixtures
